THE PARBOKEN OIL COMPANY comes before the public with an offer that the board of directors considers the BEST THAT ANY NEW COMPANY HAS TO OFFER.

The PRIMARY object of the officers of this company is to make the stock of the PARBOKEN OIL COMPANY a DIVIDEND PAYING proposition as SOON AS POSSIBLE.

In order to do this, the PARBOKEN HAS ALREADY SECURED LEASES THAT ARE NOW PRODUCING APPROXIMATELY 100 BARRELS OF OIL PER DAY in Lee and Estill counties. This oil is being PUMPED INTO THE PIPE LINES and SOLD, thus creating an ACTUAL REVENUE for Parboken in its infancy.

PARBOKEN has EIGHT LOCATIONS to be drilled in immediately offsetting wells producing from 10 TO 100 BARRELS PER DAY.

PARBOKEN has one well now drilling that is expected to be a good producer, as it is offset by a 75-barrel well.

PARBOKEN has 945 ACRES of leases in the section of Owles county predicted by oil men to be the BEST FIELD IN KENTUCKY. This acreage consists of 50 to 150 acre tracts scattered over the entire section now being drilled.

PARBOKEN OWNS all necessary operating equipment on producing leases and one complete drilling outfit.

PARBOKEN has NOT one share of bonus or promotion stock.

PARBOKEN will conduct its affairs on the HIGHEST PRINCIPLES by men of experience and ability.

PARBOKEN is NOT a stock selling scheme.

A limited amount of PARBOKEN will be sold for

**50c PER SHARE****Par Value \$1.00**

This money is to be used for development purposes. The price will advance as development progresses. You may leave your subscription with Mr. Clarence Thomas, Treasurer, at the Peoples-Deposit Bank &amp; Trust Co., or with any director or authorized agent.

We do conscientiously recommend PARBOKEN as a good oil stock buy.
